

# PopSockets X AI

Tap into your imagination

Start Here

## Customize Beyond

Check out the steps below to get started.

### 1 Imagine Anything

Describe in words an imagined scene or a background for a photo. Select an optional style or describe the style in words.

### 2 Add a Photo (Optional)

Upload your favorite photo with a subject (people, animals, objects). The photo background will be replaced with what you've imagined.

### 3 Make it yours

Now you can generate unique designs and artwork that match your personal style.

## Create Your Own now with the power of AI

Our cutting-edge generative AI brings personalization and self-expression to a whole new level. Make it yours!
